

INFORMATION FOR CONNECTICUT PRESCRIBERS OF PRESCRIPTION DRUGS

VOWST® (fecal microbiota spores, live-brpk)

The prices listed below are the Wholesale Acquisition Cost (“WAC”) made available to the public by a third-party publisher. The price paid by consumers may be higher or lower than the prices listed below. Information about the WAC for this drug is being provided to Connecticut prescribers pursuant to Connecticut law, to give prescribers drug cost information about Nestlé Health Science’s marketed pharmaceutical products.

There is currently no information available regarding the variation efficacy in different racial and ethnic groups for this product.

Marketed Product*:

PRODUCT	WAC	Product Description
VOWST	\$18,550	12 capsules in 1 bottle

*This information is being provided pursuant to Conn. Public Act No. 23-171. The information is accurate as of April 3, 2024. For the most current WAC price, please visit www.vowst.com/CTdisclosure. The prices listed are WAC prices, which represent Nestlé Health Science’s published list prices for the products sold to wholesalers, before any discount, rebate, or other price reduction. The WAC prices listed may differ significantly from actual prices paid by customers and consumers. Check with your patient’s prescription drug insurance plan to determine your patient’s out-of-pocket costs. Patients may check with their health insurance company or pharmacy to understand their out-of-pocket costs associated with the Nestlé Health Science Marketed Product listed in this Disclosure.
